INDEPENDENT AUDITOR'S REPORT

Board of Directors
NURU International
Washington D.C.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of NURU International (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NURU International as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NURU International and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NURU International's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NURU International's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about NURU International's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NURU INTERNATIONAL

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2023 and 2022

1. NATURE OF ORGANIZATION

Nuru International (the Organization) is a Washington D.C. not-for-profit organization that was incorporated in October 2007. Nuru's vision is to cultivate lasting meaningful choices in the most vulnerable and marginalized communities in the world. The Organization is committed to building resilience in fragile rural areas through the cultivation of capable farmers, profitable agribusiness, and connected communities. The following is a summary of the Organization's program services:

International Development - Unites communities around shared economic goals, using sustainable agriculture programs to help farmers adapt to changing climates, markets, and political landscapes. The Organization offers development programs in Kenya, Ethiopia, Nigeria and Burkina Faso.

International Awareness - Provides events and presentations throughout the country and publishes videos and educational information through social media. This program educates audiences on the value of locally-led development, climate-resilient agriculture, and resilience building as solutions for extreme poverty, climate change, and state fragility, and inspires action to improve the lives of our global neighbors.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (USGAAP). Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor imposed stipulations. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions.

Net Assets With Donor Restrictions

Net assets subject to donor-imposed restrictions that either expire by passage of time, can be fulfilled and removed by actions of the Organization pursuant to those restrictions, or are maintained in perpetuity by the Organization. Generally, the donors of the assets permit the Organization to use all or a part of the income earned on any related investments for general or specific purposes. The Organization does not have any restricted assets required to be held in perpetuity as of December 31, 2023 or 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with USGAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments and money market accounts with original maturities of three months or less.

The Organization maintains its cash balance in financial institutions, which at times may exceed federally insured limits. At December 31, 2023, the balance of the deposits exceeded FDIC limits by approximately \$1,155,000. At December 31, 2022, the Organization's cash accounts did not exceed FDIC limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Investments

Investments in marketable securities with readily determinable fair value and all investments in debt securities are reported at their fair values. Fair value is determined by reference to quoted market prices and other relevant information generated by market transactions. Net investment return is reported in the statements of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and direct internal investment expenses.

Contributions Receivable

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique. The resulting discount is amortized and is reported as contribution revenue. The Organization believes that all contributions receivable at December 31, 2023 and 2022 will be fully collected. Accordingly, no allowance for doubtful accounts is necessary.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional. There were no conditional gifts as of as of December 31, 2023 and 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fixed Assets

Property and equipment purchases in excess of \$1,000 are recorded at cost. Donated assets are recorded at their estimated fair value at the date they are received. Depreciation for electronics is recorded on a straight-line basis over an estimated useful life of three years.

Depreciation expense for the years ended December 31, 2023 and 2022 is \$8,608 and \$7,795, respectively.

Revenue Recognition

Contribution and In-Kind Income

The Organization recognizes contributions when an unconditional promise to give cash, securities, other assets, services, or space is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Donated Services and Assets

Donated services are recorded in the financial statements at their estimated fair value on the date the services are rendered if such services create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would need to be purchased if not donated. Donated assets are recorded in the financial statements as assets and revenue at their estimated fair value on the date the assets are contributed. The Organization receives services from volunteers who give significant amounts of their time to the Organization's programs. No amounts have been reflected in the financial statements for these services because they do not meet the criteria for financial statement recognition.

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The majority of expenses are directly allocated to the relevant department. Salaries are allocated to the programs and supporting services based on estimated time spent. Overhead costs such as insurance, books, subscriptions and references, information technology, postage, supplies and training and development are allocated based on headcount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Organization is a not-for profit organization which is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code as other than a private foundation. The Organization evaluates its uncertain tax positions on an annual basis, and there have been no recorded uncertain tax positions recorded. Therefore, no provision or liability for income taxes has been included in the financial statements. The Organization files various federal or state non-profit tax returns. The Organization is no longer subject to U.S. federal or state examinations by tax authorities for tax years prior to 2020.

3. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise of the following:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 1,404,021	\$ 15,932
Investments	-	14
Current contributions receivable	745,283	427,363
Total financial assets and liquid resources	2,149,304	443,309
Less donor imposed restrictions:		
Purpose restrictions	(420,283)	(2,363)
FINANCIAL ASSETS AVAILABLE TO MEET CASH NEEDS FOR GENERAL EXPENDITURES WITHIN ONE YEAR	<u>\$ 1,729,021</u>	<u>\$ 440,946</u>

The Organization manages its liquidity guided by the goal of operating within a prudent range of financial soundness and stability and maintaining adequate liquid assets to fund near-term operating needs. To maintain adequate cash for operations, the entity forecasts its future cash flows and monitors its liquidity and reserves regularly.

NURU INTERNATIONAL
NOTES TO FINANCIAL STATEMENTS (Continued)

4. CONTRIBUTIONS RECEIVABLE

Contributions receivable at December 31, 2023 and 2022 consisted of the following:

	<u>2023</u>	<u>2022</u>
Due within one year	\$ 745,283	\$ 427,363
Due in one to five years	75,000	400,000
Subtotal	820,283	827,363
Less present value discount	(4,907)	(18,159)
TOTAL CONTRIBUTIONS RECEIVABLE	<u><u>\$ 815,376</u></u>	<u><u>\$ 809,204</u></u>

Contributions receivable are discounted using a risk adjusted rate of 7%.

5. IN-KIND DONATIONS

During 2023 and 2022, the Organization received the following amounts for donated assets and services:

	<u>2023</u>	<u>2022</u>
Donated assets - investments	\$ 10,122	\$ 143,308
Donated services - legal	-	3,712
TOTAL	<u><u>\$ 10,122</u></u>	<u><u>\$ 147,020</u></u>

The Organization receives contributions of donated investments without donor restrictions. The donated investments consist of donated stock transfers and are valued at the fair market value of the stocks on the date the stocks were transferred. Fair market value at the time of the transfer is determined utilizing the published trade price on the exchange. The donated investments were recorded as revenue and an increase to investments. Those investments are sold and monetized. The proceeds from their sale were utilized for programs or general operations of the Organization.

The Organization also receives contributed donated services without restrictions for legal services. These services are used for various operational matters including reviewing notices, assistance with trade-mark work and visas. Fair value is provided by the donor based on billing rates and hours spent. The contributed professional services were utilized in the Organization's programs and are included in legal fees and contractual services on the statements of functional expenses.

6. FAIR VALUE MEASUREMENTS

USGAAP establishes a framework for measuring fair value. That framework uses a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. USGAAP requires the Organization to maximize the use of observable inputs when measuring fair value. The hierarchy describes three levels of inputs, which are as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; or inputs that are derived principally from or corroborate by observable market data by correlation or other means.

Level 3: Significant unobservable inputs.

In many cases, a valuation technique used to measure fair value includes inputs from more than one level of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The categorization of an investment within the hierarchy reflects the relative ability to observe the fair value measure and does not necessarily correspond to the perceived risk of that investment.

If an investment that is measured using net asset value (NAV) has a readily determinable fair value (that is, it can be traded at the measurement date at its published NAV), it is included in Level 1 of the hierarchy. Otherwise, investments measured using NAVs are not included in Level 1, 2, or 3, but are separately reported.

The Organization recognizes transfers into and out of levels within the fair value hierarchy at the end of the reporting period. There were no transfers between levels in the years ended December 31, 2023 and 2022.

Valuation Techniques

The following is a description of the valuation techniques used for assets measured at fair value on a recurring basis. There have been no changes to the techniques used during the years ended December 31, 2023 and 2022.

Common stock: Valued at the closing quoted price in an active market.

Recurring Measurements

Assets measured at fair value on a recurring basis as of December 31, 2022 are as follows (at December 31, 2023, no investments were held):

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Common stock	\$ 14	\$ -	\$ -	\$ 14

7. NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2023 and 2022, there were net assets with donor restrictions of \$820,283 and \$827,363, respectively. Time restrictions as of December 31, 2023 and 2022 were \$400,000 and \$825,000. The remaining amounts of donor restricted net assets as of December 31, 2023 and 2022 of \$420,283 and \$2,363 consists of purpose restricted funds for USAID projects.

8. NOTES PAYABLE

The Organization has an agreement for borrowings of \$500,000 with the SBA dated September 2, 2021. The agreement calls for monthly payments of \$2,208 beginning twelve months from the date of the note, plus interest at 2.75% and is due on May 5, 2050. Payments will first be applied against accrued interest. The note is unsecured. The amount outstanding as of December 31, 2023 and 2022 was \$500,000.

The Organization had an agreement for borrowings of \$200,000 with the Organization's CEO. The agreement called for the entire balance to be paid by December 31, 2022. The loan was modified on December 28, 2022 to increase the borrowings to \$215,000 with an updated maturity date of June 30, 2023. The loan was unsecured and was paid in full prior to December 31, 2023.

The minimum principal maturities of the note payable are as follows:

2024	\$	5,034
2025		13,048
2026		13,411
2027		13,785
2028		14,169
Thereafter		440,553
TOTAL	\$	<u>500,000</u>

9. RELATED PARTIES

In October 2008, Nuru Kenya was established as a separate not-for-profit organization registered in the Republic of Kenya, which conducts agricultural, health care, educational, and economic development projects in rural areas of that country. In August of 2012, an additional organization, Nuru Ethiopia, was put into operation in Ethiopia. In 2017, Nuru Nigeria was launched. In 2021, Nuru International began initial launch activity for Nuru Burkina Faso, which launched in 2022. These locally-led nonprofits, along with Nuru International, form a collective of organizations with distinct, localized missions united by a common vision.

NOTES TO FINANCIAL STATEMENTS (Continued)

9. RELATED PARTIES (Continued)

For the years ended December 31, 2023 and 2022, the Organization contributed directly, or incurred expenses on behalf of these organizations as follows:

	<u>2023</u>	<u>2022</u>
Nuru Kenya	\$ 99,233	\$ 160,270
Nuru Ethiopia	353,518	320,785
Nuru Nigeria	163,131	326,187
Nuru Burkina Faso	455,204	119,175
TOTAL	<u>\$ 1,071,086</u>	<u>\$ 926,417</u>

Additionally, on July 25, 2022, the Organization received a related party loan from the Organization's CEO that was paid in full during 2023, see Note 8.

10. EMPLOYEE BENEFIT PLAN

The Organization maintains a defined contribution 401(k) plan for all eligible employees. Employer matching contributions for the years ended December 31, 2023 and 2022 were \$36,799 and \$34,775, respectively.

11. SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

The Organization has evaluated subsequent events through April 5, 2024 which was the date that these financial statements were available to be issued. Based upon this evaluation, the Organization has determined there are no subsequent events that have occurred which require adjustment to or disclosure in the financial statements.
